

How do I close the filter options?

A screenshot of a horizontal filter bar. It contains several input fields and dropdown menus. From left to right, the fields are: 'name' with a person icon, 'company' with a building icon, 'visiting' with a person icon, 'from' with a calendar icon, 'to' with a calendar icon, 'Visitor Type' with a dropdown arrow, 'Site Induction Status' with a dropdown arrow, 'Please select locations' with a dropdown arrow, 'All Temperatures' with a dropdown arrow, 'Equipment' with a gear icon, 'Equipment Status' with a dropdown arrow, and 'On Site' with a dropdown arrow. At the bottom right of the bar, there are three buttons: 'filter', 'clear', and 'close'. The 'close' button is circled in red.

To close the filter bar, select the **'close'** text in the bottom right-hand corner (circled above).
