

How do I close the filter options?

The image shows a horizontal filter bar with several input fields and dropdown menus. From left to right, the fields are: 'name' (with a person icon), 'company' (with a building icon), 'visiting' (with a person icon), 'from' (with a calendar icon), 'to' (with a calendar icon), and 'Visitor Type' (with a dropdown arrow). Below these are: 'Site Induction Status' (with a dropdown arrow), 'Please select locations' (with a location pin icon), 'All Temperatures' (with a dropdown arrow), 'Equipment' (with a gear icon), 'Equipment Status' (with a dropdown arrow), and 'On Site' (with a dropdown arrow). At the bottom right of the bar are the labels 'filter', 'clear', and 'close'. The 'close' label is circled in red.

To close the filter bar, select the **'close'** text in the bottom right-hand corner (circled above).
