

Admin Users

Admin Users can be added by another administrator user.

The screenshot shows the 'Admin Users' management page in the TKS Assure system. The interface includes a dark blue header with the 'TKS Assure' logo and a user profile dropdown for 'admin'. A left-hand navigation menu is visible with options for Reports, Forms, Categories, Admin Users (highlighted), and Mobile Users. The main content area is titled 'Users Manage (1)' and features a '+ Create User' button. Below this is a table with columns for Username, Email, Role, and Action. The table contains one entry for the 'admin' user, with roles 'Report', 'Category & Form', and 'Super User', and 'Edit' and 'Delete' action buttons.

Username	Email	Role	Action
admin	support@tks.com.au	Report Category & Form Super User	Edit Delete
